FIU

Undergraduate Education

Inaugural Winner of the Most Visible Progress (MVP) National Degree Completion Award

GSI:

GRADUATION SUCCESS INITIATIVE

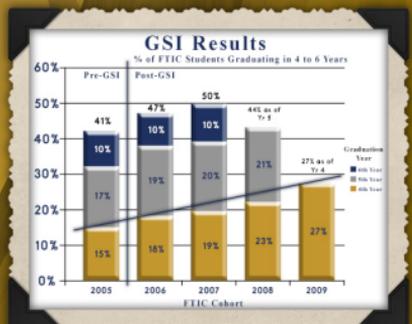

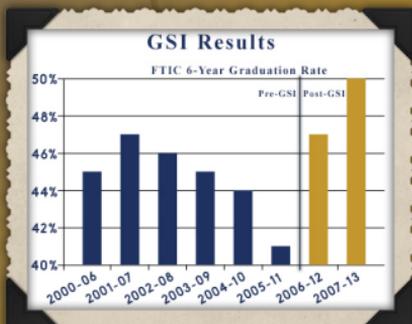

GSI IS GETTING RESULTS!

- In GSI's first two years, the 6 year FTIC graduation rate jumped from 41% (historical low) to 50% (historical high), a 9 point bump.
- Post-GSI 4 year FTIC graduation rate rose 12 points from 15% to 27%; 4 year graduation is the new norm for FTICs.
- Students graduating WITHOUT excess hours increased 14 points from 56% to 70%.

GSI TOOLS ARE BEING USED!

- In two years, 37,000 students have completed the online MyMajorMatch which links vocational interests to FIU majors.
- Also in two years, nearly 250,000 people have visited MyMajor, a user-friendly, searchable site that describes all FIU majors, their 8 semester Major Maps, and job information related to the major. On average, each visitor spent 3 minutes and 22 seconds on MyMajor and viewed over 4 pages, totaling over 1,000,000 pages viewed.
- In one year, My_eAdvisor, an online advising tool that lets students know if they are on track, had nearly 500,000 visits and almost 3,000,000 pages viewed.

GSI:

GRADUATION SUCCESS INITIATIVE

Welcome to Undergraduate Education! We comprise an array of academic programs which provides two important services for undergraduate students. First, Undergraduate Education is an academic home for all FIU undergraduate students. We support you and your academic success. Second, we work hard to make sure that your undergraduate academic experience makes sense to you, that it all goes together for you, that you experience your baccalaureate degree program as integrated, whether you start and finish at FIU or transfer in, whether you go full-time or part-time. Whatever your path to graduation might be, we help you each step of the journey. We wish you a wonderful time at FIU and look forward to meeting you in one of Undergraduate Education's many programs.
